

July 2019

Dear Supplier / Sponsors' / General Entries

For the 13th consecutive year Countdown will be embarking on a major fundraising program in support of Children's Hospitals throughout New Zealand, under the name Countdown Kids Hospital Appeal. The appeal runs from 1st August 2019 through 30th October 2019.

In 2016 \$1.2 million dollars was raised for six different hospitals, Taranaki, Auckland, Waikato, Hawke's Bay, Wellington, Christchurch and Dunedin. Progressive also gave a one off donation to the Taranaki District Health Board of \$30,000, and last year Countdown kids donated \$51,600 in the way of equipment and renovations.

This year Group 203 will again be showing our support by holding our 13th annual Golf day on Friday 27th September 2019. We would ask if you could donate a prize to be auctioned off.

Our golf day will be held at the Fitzroy Golf Club which is in an excellent location with superb facilities and plenty of prizes will be on offer to all Golfers. Registration commences from **10:30am**. The tee off time will be at **11:00am** and a Prize giving will follow the Golf at 5pm.

There will be plenty of refreshments and activities – with the activities designed to help us raise funds for the Children's hospitals. There will also be an Auction at the conclusion of prize giving .

There will be a big range of auction prizes this year so please come prepared:

If you have any queries relating to the event itself or with regards to registration please contact us below

We welcome your valuable support of this event and a very deserving charity.
Warm regards,

Shane Cooper
